Country of Birth

This year for the first time we have to record the country of birth for all the children in school. We require this information for our census day in October and is something that all schools have to provide. We will be recording all children as born in the United Kingdom unless parents let us know otherwise, so please if your child was born outside of the UK let the school office know as soon as possible.

Free School Meals

If you are in receipt of any benefits please make an application for free school meals. It is important that you apply even if your child is in Foundation or Key Stage 1 and entitled to Universal Free Meals. The school benefits from your application, even if your child does not have the meals. Please note that if you receive Working Tax Credits you will not be entitled to claim free meals. Please ask at the office for more information.
